

Circle Of LifeSM: Cancer Education and Wellness for American Indian and Alaska Native Communities

American Cancer Society Circle Of LifeSM
Cancer Education and Wellness for American Indian and Alaska Native Communities

Wellness Along the Cancer Journey:
Cancer Types
Revised October 2015

Circle Of LifeSM: Cancer Education and Wellness for American Indian and Alaska Native Communities

WELLNESS ALONG THE CANCER JOURNEY: CANCER TYPES

Goals: Those taking part will be able to describe some types of cancer and cancer risk factors, and how some cancers may be found early.

Objectives: At the end of this section, those who take part will be able to answer these questions:

- What is cancer?
- How can cancer be found and treated?
- What are some of the most common types of cancer?
- How can cancer risks be reduced?
